

ACCEPTANCE OF TENDER CONDITIONS

- A. Selected carrier(s) shall, within ten (10) days of notification, provide DOE a final approved copy of the rate tender covering the tender request specifications.
- B. An acceptance of the tender does not express or implies that DOE will utilize a minimum or maximum quantity of pre-paid transportation services purchases thereunder.
- C. It is agreed and understood that only those rates and charges listed in the tender are applicable to pre-paid transportation services as described in the tender. All other rates are null and void unless mutually agreed to in writing and the tender modified to reflect such.
